

Horizon Fisheries

P r i v a t e L i m i t e d

HORIZON FISHERIES PVT LTD

was incorporated on 30th April 2003 in the Maldives with the aim of conducting fisheries related business. The company started it's fisheries operation on 16th of September 2003 after taking over the Maandhoo Fisheries Complex (MFC) located in Laamu Atoll through a competitive public bidding process. In a short period we have become the leading fish processing and exporting company in the country.

We are committed to producing and delivering the highest quality tuna products that are caught by the traditional and most sustainable method of Skipjack fishing Pole and Line to Europe's most reputed brands such as Marks & Spencer, Sainburys, Bell Foods, Bianchi, Migros, Follow Food, Follow Fish, Rewe, Penny, Berida, Billa etc to UK, Ireland, Germany, Switzerland, Spain etc for more than 7 years. We also do export in our own brand "Rahameeru" label to Asian countries including China, Sri Lanka and more.

During this period we have been also supplying to local resorts, hotels, restaurants, supermarkets and shop.

Cannery Area

Loading Area

OUR FLEETS

We own and manage a fleet of vessels to assist in the collection of fresh Skipjack Tuna and Yellowfin Tuna from different areas within our permitted collecting zones. Our vessels include 4 Collector Vessels and 3 Mother vessels.

MAANDHOO FISHERIES COMPLEX (MFC):

At MFC we own a new state of art, World Class Canned Tuna Processing Factory capable of processing 80 MT per day of raw materials for Canning/Pouching/Cooked Loins, other projects in the site are a 15 MT chilled & Super frozen tuna loin's plant, 10 MT traditional smoked and dried tuna unit (Maldives Fish) and 50 MT fish meal plant. An additional 2700 MT of new cold storage and brine freezing has been constructed at MFC. We also own 1000 MT capacity floating cold storage to meet out new processing capabilities.
